5. **SPECIAL HOUSING/HOLDOVER VISITING PROCEDURES:** Inmates housed in the Special Housing Unit (SHU) will be closely supervised in the visiting room. The Visiting Room #1 officer will assign seating in front of the officer's desk. The first two tables by the officer's desk will be used for only SHU inmates. Any inmate violating this procedure will be subject to disciplinary action.

- A. Approval: Inmates with separation issues will be addressed on a case-by-case basis. Final approval for the visit will be determined by the Institution Duty Officer (IDO) and Operations Lieutenant.
- B. Permitted Visitors: All visitors on an approved visiting list will be permitted. All visits will take place in the visiting room under direct supervision. Attorney visits for SHU inmates will be conducted in the visiting room in one of the attorney/client rooms.
- C. Time Limits: Visits will be for a four-hour period (Saturdays, Sundays, and federal holidays), and will take place during normal visiting hours. Three-hour visiting periods will be available on Fridays. Inmates housed in Disciplinary Segregation status will be allowed to visit for a two-hour period when the visiting room is open.

6. **SPECIAL VISITORS**: Inmates requesting special visits must complete attachment B.

- A. Attorney Visits: Attorney visits will ordinarily take place in the attorney/client rooms in the visiting room. Attorney visits will be arranged by unit team prior to the visit when the attorney is not on the inmate's approved visiting list. If all attorney/client rooms are occupied, the attorney visit may take place in the main visiting room, at the election of the attorney and the inmate. In the event that a visit occurs in the main visiting room, staff will make every effort not to overhear any of the conversation between the inmate and attorney.

It is the unit team's responsibility to submit a memorandum to the Associate Warden of Programs or Camp Administrator, if the attorney needs any special equipment, such as a tape recorder or video equipment, prior to the visit. Such equipment must be authorized in advance by the Warden.

- B. Law Enforcement Interviews: The SIS department will approve and coordinate all interviews between law enforcement agencies and inmates. The SIS department will also inform the Warden and Captain of the visit.
- C. Hospital Visits: Visits to inmates hospitalized in community hospitals must be approved by the Warden in writing. Visiting hours and policies for local hospitals must be followed.
- D. Business Visits: Visits to conduct appropriate business transactions must be approved by the Warden and will be conducted during regularly scheduled visiting hours.
- E. Religious Visits: The Chaplain is responsible for coordinating religious visits and must be approved by the Warden.

- F. Volunteers: Persons approved as institution volunteers who have a volunteer I.D. badge may not be approved as regular visitors unless authorized by the Regional Director in writing. The only exception to this is the Prisoner Visitation and Support (PVS) visitors.

7. **DISAPPROVING VISITORS**: A visitor who objects to any search, test, or entrance procedures has the option of refusing and leaving the institution grounds, unless there is reason to detain or arrest the visitor. Staff shall deny admission to the institution to a visitor who refuses to undergo a search of person and/or effects as dictated by Bureau of Prisons policy. The Captain, SIS, IDO, and the Administrative Duty Officer (ADO) will be notified.

The IDO, in consultation with the Operations Lieutenant, shall terminate a visit upon determining a visitor is in possession of, or is passing or attempting to pass contraband not previously detected, or is engaging in any conduct or behavior which poses a threat to the orderly or secure running of the institution.

8. **APPROVING VISITOR EXCEPTIONS**: Any exceptions to an inmate's approved visiting list must have prior approval by the Associate Warden of Programs for FCI inmates or Camp Administrator for FPC inmates.

9. **VISITING LIMITATIONS**:

- A. Age Limitation: Children under the age of 16 must be accompanied by an adult.

- B. Overcrowding: Visiting may be curtailed or terminated at the FCI or FPC for emergency situations, improper conduct on the part of the inmate or his visitor(s), or when the visiting area reaches maximum fire rated capacity set by the Safety Department. Should the visiting room reach full capacity, the Visiting Room Officer will advise the Operations Lieutenant and the IDO of the situation.

The IDO will have the authority to curtail or terminate visits. Should it become necessary to curtail visits due to overcrowding, a maximum two-hour visit will be implemented. The IDO will begin curtailing visits first by volunteers, secondly by visitors who live in the closest proximity from the institution, and third by those who visit most frequently.

Should the FPC visiting room reach full capacity, the Operations Lieutenant has the option of opening the outside patio area for visiting at his/her discretion prior to the IDO curtailing or terminating visits. The patio at the FCI will be not opened.

- C. Number of Visitors: The number of persons allowed while visiting one inmate is limited to five adults. Children age 16 and under are not counted against the inmate's five maximum visitors. The Visiting Room Officer will not allow more than the maximum of five visitors to visit an inmate at one time. Any exceptions must have prior approval by the Associate Warden of Programs or Camp Administrator.

Should more than five visitors arrive at the same time, a split visit may be arranged at the discretion of the IDO. A split visit is defined as a visit where one or more visitors leave the visiting room to be replaced by other authorized visitor(s). Those visitors leaving may not return to the visiting room and must depart institution property.

- D. Number of Visits: A maximum of 10 visiting points per month will be authorized for all inmates. Visits on Saturdays, Sundays, and federal holidays will be charged two points. Visits on Friday will be charged one point. Inmates should encourage their visitors to space their visits so as to provide visiting throughout the entire month. Any part of a visit will be counted as one visit. Visiting points cannot be carried over from month to month.
- E. Approved Visitors: Visits are permitted for those on the inmate's approved visiting list as authorized by the unit team. Only 20 visitors, inclusive of immediate family, friends, and associates, will be permitted on each inmate's visiting list. A maximum of five adult visitors may visit the inmate at one time. When conditions such as overcrowding exist, the number of visitors may be further limited to allow each visitor adequate space and time to conduct their visit.

10. WRITTEN GUIDELINES AVAILABLE TO VISITORS:

keep these records current at all times and will pull the records of those inmates who have transferred or released. When an inmate receives a visit, the Visiting Room Officer will identify the visitor and enter the date, time the visitor arrives, and sign the appropriate block on the visitor notification form.

- C. Inmate Visitor's Sign-in Logs: The visitors will be required to sign in at the time of their arrival and the name of the inmate to be visited in an official sign-in log. The Front Lobby Officer will maintain the visitor log, ensuring it is filled out properly.
- D. Notification to Visitor Form: Each visitor, age 16 and older, will fill out the notification to visitor form. The Visiting Room Officer will collect the completed forms and forward them to the Lieutenants' Office at the end of each visiting day. The completed forms will be kept on file for one year.
- E. Incident Entry Logs: An incident log will be maintained on each incident of misconduct occurring in the visiting room. A one-time warning shall be given and logged in the log book showing the date, time, inmate's name, number, visitor, staff member's name and infraction.
